Beautiful prayers reflectionsBy Ken H.I'm not sure what I expected with this book, but it has far exceeded any hopes I may have had before I purchased it. I use it in the church during my holy hour, and it is a welcome companion as I sit before the Lord. With more than just rote prayers, the longer "essay prayers" from saints and others are beautiful reminders that the Blessed Sacrament is a Person to be in conversation with. This is an excellent book to peruse and use in prayer.8 of 8 people found the following review helpful. Helpful in ContemplationBy OrthodoxyThis little book is a treasure. I thought it would be reflections by Father Groeschel, but it is a book compiled by him of the prayers written by some of the saints. All of them are useful for quieting the soul for reflection.1 of 1 people found the following review helpful. Meaningful accompaniment to Eucharistic AdorationBy CustomerBeautiful prayer book to contemplate, reflect upon, and pray with as part of a most meaningful hour in Christ's presence. Also includes prayers for before and after Mass, and suggested scripture for reflection.

Collection of prayers designed to help you pray more deeply during Eucharistic Adoration.
