**United States Department of the Interior : Public Libraries in the United States of America, Vol. 1: Their History, Condition, and Management; Special Report (Classic Reprint)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Public Libraries in the United States of America, Vol. 1:

Their History, Condition, and Management; Special Report (Classic Reprint):

Excerpt from Public Libraries in the United States of America, Vol. 1: Their History, Condition, and Management; Special Report There has, however, been real progress, and although Our deficiencies are still exceedingly great, yet the enterprising Spirit in this direction which prevails in our schools is rapidly removing the reproach which has so long rested upon them, and is making their libraries more and more the fountains of original information in the various departments of theology, and so rendering it less essential for the earnest student to expend time and money in visits to the more thoroughly furnished libraries of Europe. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
