**Valmiki Maharshi : Ramayan** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ramayan:

The Ramayan is an ancient Sanskrit epic about Rama. It is one of the two most important ancient epics of India, the other being the ancient Mahabharata. The epic was originally written by sage Valmiki of Ancient India. The book has

about 96,000 verses and is divided into seven parts.
