Muslim Thought:

0 of 0 people found the following review helpful. Buy it!By Great ScottWonderful professor. Had him at McGill.

In all the current alienating discourse on Islam as a source of extremism and fanatic violence this new publication takes a timely and refreshing look at the traditions of Islamic mysticism, philosophy and intellectual debate in a series of diverse and stimulating approaches. It tackles the major figures of Islamic thought as well as shedding light on hitherto unconsidered aspects of Islam utilizing new source material. The contributors are impressive list of scholars and experts.
