It kept me from committing deadly suicide. When I was in a deep crisis I was always keeping this book with me. I finally received my vision and saw the light- seed that Bika Reed talks about in her book "rebel in the soul". Life is about meaning Bika Reed gave me that meaning and saved my life.The book gives an insight of man connecting with nature(the nature of

the donkey) to save his life in times of turmoil. Please give my deep and sincere thanks to Bika Reed for all of this. Peter Jan Koning, Wageningen The Netherlands.

This controversial text, that was meant for initiates at the threshold of the Ancient Egyptian Inner Temple, speaks to us with intriguing relevance to the problems of today. Taking the form of a dialogue between a man and his soul, this sacred text explores the inner discourse between doubt and mystical knowledge and deals with the rebellion and despair of the intellect at a crucial stage of spiritual development. Accompanied by stunning illustrations carefully selected to enhance the text and the author's commentaries, which combine poetic insight with rigorous scholarship, *Rebel in the Soul* provides a unique access to the secrets of Egyptian symbolism. This is a new edition of *Rebel in the Soul*, the first complete and consistent translation of the Berlin Papyrus 3024, which is thought to be nearly 4,000 years old.

"Opens the door upon the inner stages of development along the way toward illumination and liberation. . . As one of the few to take this great ancient tradition seriously, Reed's work deserves praise."
