From Oxford University Press : Relative Clauses and Genitive Construction in Semitic (Journal of Semitic Studies Supplement) before purchasing it in order to gage whether or not it would be worth my time, and all praised

Relative Clauses and Genitive Construction in Semitic (Journal of Semitic Studies Supplement):

This volume is the outcome of two workshops held at the University of Salford: Relative clauses and attribution in Semitic (April 18th 2007) and Genitive constructions in Semitic: Comparative and diachronic perspectives (April 7th and 8th 2008).
