0 of 0 people found the following review helpful. Fun to look at, but price needs adjusting down.By K KILGOREBased on the price, I expected something a bit higher in quality. Some of the pages were copied "askew." Based on quality to price, I wouldn't recommend. Still, it was fun seeing (or trying to see) some of my older aunts/uncles/cousins.

This copy is a softcover reprint of a previously owned high school yearbook. Whether you no longer have your own copy or want to surprise someone with a unique gift, the memories in this yearbook are sure to make someone smile! All the pages and images are reproduced as-is, which means your copy may show handwriting or effects of aging, and

that certain pages, images, or other content may be omitted, missing, or obscured. Don't miss out! Bring home a piece of your history.
