**Maurice Lamm : The Jewish Way in Death and Mourning** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Jewish Way in Death and Mourning:

For over thirty years Jews have turned to Rabbi Maurice Lamm's classic work for direction and consolation. Selected by The New York Times as one of the ten best religious books of the year when it was first published in 1969, *The Jewish Way in Death and Mourning* leads the family and friends of the deceased through the most difficult chapter of life—from the moment of death through the funeral service, the burial, and the various periods of mourning.
