millions of short stories that narrate the big story of the criminal and unjust treatment of the Jews and other races by the Nazis. From the book "The evil that men do" to this one I have read and re-read these stories in disbelief. Mr. Friedrich will inspire newcomers to these horrors to read and learn, the evil that men can do. Read it and see!!!!!! 2 of 2 people found the following review helpful. the KingdomBy CustomerI had to read this book for a Holocaust class. It is extremely short so if you aren't a reader, I am, this is for you! It is very intense and keeps your interest all the way through. A must have for everyone I think. 1 of 1 people found the following review helpful. It is heart-rending, and well written.

A short and thoroughly accurate history of the Auschwitz concentration camp, this compelling book is authoritative in its factual details, devastating in its emotional impact.

"Brings the reality of this evil place so directly, vividly, accurately, movingly and clearly to the mind of the reader."-- Paul Johnson
