**Xenophon : The Landmark Xenophon's Hellenika** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Landmark Xenophon's Hellenika:

0 of 0 people found the following review helpful. Landmark Books make learning fun and easy. Truly worth it! By CarolRabbit The Landmark Books are absolutely great. They make history alive, attainable, and easily accessed. All questions are answered. I do not rush about to find maps or additional information. Everything you could imagine plus things you do not know you are missing are right in your hands. I thought the Landmark Books were a bit expensive, but now I wish there were many more of them. 0 of 0 people found the following review helpful. Xenophon By bruce d terry Great book! Great service! 2 of 2 people found the following review helpful. Landmark Series Rocks Ancient History By Customer The failure of many books on ancient history is assuming too much of their readers or not enough. The Landmark series contain compelling narratives and as much background available as you could want. I have read the Landmark Theucidides and enjoyed the straight read and many of the accompanying foot notes and asides. It's great to have edges of history filled in completely.

From the editor of the widely praised *The Landmark Thucydides* and *The Landmark Herodotus*, here is a new edition of Xenophon's *Hellenika*, the primary source for the events of the final seven years and aftermath of the Peloponnesian War. *Hellenika* covers the years between 411 and 362 B.C.E., a particularly dramatic period during which the alliances among Athens, Sparta, Thebes, and Persia were in constant flux. Together with the volumes of Herodotus and Thucydides, it completes an ancient narrative of the military and political history of classical Greece. Xenophon was an Athenian who participated in the expedition of Cyrus the Younger against his brother, the Persian King Artaxerxes II. Later Xenophon joined the Spartan army and hence was exiled from Athens. In addition to the *Hellenika*, a number of his essays have survived, including one on his memories of his teacher, Socrates. Beautifully illustrated, heavily annotated, and filled with detailed, clear maps, this edition gives us a new, authoritative, and completely accessible translation by John Marincola, an comprehensive introduction by David Thomas, sixteen appendices written by leading classics scholars, and an extensive timeline/chronology to clarify this otherwise confusing period. Unlike any other edition of the *Hellenika*, it also includes the relevant texts of Diodorus Siculus and the Oxyrhynchus Historian, with explanatory footnotes and a table that correlates passages of the three works, which is perhaps crucial to an assessment of Xenophon's reliability and quality as a historian. Like the two Landmark editions that precede it, *The Landmark Xenophon's Hellenika* is the most readable and comprehensive edition available of an essential history.

Praise for the Landmark Series:  
**THE LANDMARK HERODOTUS** "The most densely annotated, richly illustrated, and user-friendly edition of his *Histories* ever to appear." Daniel Mendelsohn, *The New Yorker* "Stunning.... Bears the same superb production and scholarly qualities of his earlier *The Landmark Thucydides*.... Andrea Purvis's new translation is taut and lucid." *Houston Chronicle* "A real service.... Considerably improves accessibility by integrating hundreds of maps and extensive timelines.... [and] amplifies the first historian's own epic accomplishment." *Forbes*  
**THE LANDMARK THUCYDIDES** "A magnificent edition of the great historian's *The Peloponnesian War*." *Los Angeles Times* "Without question, this is the finest edition of Thucydides' history ever produced. It is a treasure." *The Washington Times* "The editor and his contributors have asked themselves the fundamental question: how can one best present and interpret the work of one of the most fascinating but difficult of ancient authors to a modern audience? They have answered this question brilliantly." *Classical Quarterly*  
About the Author  
**ROBERT B. STRASSLER** is an unaffiliated scholar who holds an honorary Doctorate of Humanities and Letters from Bard College and is chairman of the Aston Magna Foundation for Music and the Humanities. He lives in Brookline, Massachusetts.  
**JOHN MARINCOLA** is the Leon Golden Professor of Classics at Florida State University. He is the author and editor of many books about Greek and Roman historiography and has translated a number of classical texts. He lives in Florida.
