K. Featherstone, D. Papadimitriou, A. Mamarelis, G. Niarchos : The Last Ottomans: The Muslim Minority of Greece 1940-1949 (New Perspectives on South-East Europe) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Last Ottomans: The Muslim Minority of Greece 1940-1949 (New

Perspectives on South-East Europe):

0 of 0 people found the following review helpful. Four StarsBy CustomerVery good state

A new study of the international and local politics surrounding the Muslim minority of Western Thrace (Greece) in the 1940s, based on previously unseen archival material. Addresses the minority's complex identity, its relations with other communities in the area, the international diplomacy of WWII and strategic considerations of the Cold War.

'...this scholarly study is a detailed but clear opening for anyone interested in Greek, Turkish and Balkan issues.' - Time Out: Istanbul '...The Last Ottomans offers important insights into a little-known period of a group, which has largely escaped the attention of historians until now. As a result of painstaking research, it succeeds to present the Muslim minority against the backdrop of this dramatic period in Greek history.' - Sotirios Dimitriadis, SOAS, UCL
DiscoveryAbout the AuthorKEVIN FEATHERSTONE is the Eleftherios Venizelos Chair of Contemporary Greek Studies and the Director of the Hellenic Observatory at the London School of Economics and Political Science, UK.
