Decca Lamar West : The Legend of Lovers' Leap and an Historical Sketch of Waco, Texas (Classic Reprint) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Legend of Lovers' Leap and an Historical Sketch of Waco, Texas (Classic Reprint):

Excerpt from *The Legend of Lovers' Leap and an Historical Sketch of Waco, Texas* With the unerring instinct of the savage the Wacos had another and greater reason for their choice of an abiding place. The lay of the land is such that no cyclone, no death-dealing storm ever approached them. We have had zero weather to the north of us, cyclones to the west of us, hail storms on the east of us, and cloudbursts on the south of us, but we still cherish the Big Spring in the midst of us and bear a charmed life.
