RecommendBy Umm NusaybaAlhamdulillah it is wonderful to find a book that doesn't just talk about the Prophet (saw) in a dry and factual manner, as one would talk about any historical figure. This book mentions some of the miracles that other books on the Prophet (saw) fail to mention and talks about the Prophet (saw) with love. I would love to see a whole seerah book/series written in the same manner.0 of 0 people found the following review helpful. Beautiful and moving for the discerning mind and heartBy AminaBeautiful and moving for the discerning mind and heart. But quite complex for a child's uninformed mind. Was hoping for a chronological recounting of the Prophet's life sallallahu Alaihi Wassalam for a seven year old but InshaAllah will keep it safe until when he is ready to receive this beautiful message. The Light of His Beauty: Recounting the Birth of Prophet Muhammad (may God's peace and blessings be upon him) is a beautifully illustrated children's biography that imparts a spirit of love and reverence for the Messenger of God and his pure parents. There is a twofold moral in this book: (1) love for the Prophet who is the light of Allah, and (2) love for his pious parents which, in turn, teaches children to respect their own father and mother. This lovely book has been commended by Pir Zia Inayat Khan, Mehded Maryam Sinclair, and Nabila Hanson.
