The Making of the West features a chronological narrative that offers a truly global context and tells the story of the

cross-cultural exchanges that have shaped western history. This brief book includes a full-color map and art program and comprehensive supplement options, including LaunchPad and a free sourcebook. The result is a brief book that is an excellent price and an outstanding value. With the fifth edition, Bedford/St. Martins is proud to offer a comprehensive digital solution to meet all your classroom needs. New to the fifth edition, LaunchPad for The Making of the West provides instructors and students with a full feature program that includes a wealth of primary documents, comparative analysis, visual analysis, and quantitative analysis in every chapter.
