Anpu Unnefer Amen : The Meaning of Hotep: A Nubian Study Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised The Meaning of Hotep: A Nubian Study Guide:

7 of 7 people found the following review helpful. This book is packed full of good information! By Vincent C. (vincenzo) I guess it is called a study guide because it is meant to be read and gone through more than once. You won't get everything the first time you read it. There is extraordinary information concerning the astrological symbolism of

the religions of today. This book has given me a credible argument concerning the authenticity and originality of the origin of Maat and how the story of Heru, Auset, and Osiris predates the story of all other religions. I will be studying the information in this book diligently. Hotel Afrikans!8 of 8 people found the following review helpful. Great Insights and Great InformationBy AuthorsUnitedI loved the explanations of the Metu Neter and the various Afrikan gods and goddesses. The explanations of the complex concepts introduced in this book were carefully executed and wonderfully entertaining. I found the information both useful and interesting in my exploration of Afrikan history and spirituality. I would recommend this book to anyone considering studying the Metu Neter or anyone who wants to know more about the spiritual principles of the Western world religions and how they originated in West Afrika (Alkebulan). Great read!8 of 8 people found the following review helpful. Power packed with wisdom and truthBy Alvin C. WalkerAn excellent starting point to African history and religion.

Hotep is a word associated with recognizing that there is a Creative Force eminent in all things. Hotep deals with the commemoration of the ancestors, some of whom are great figures that stand out in history, such as Imhotep, the world's first known multigenius and true father of medicine; Ptahhotep, the author of the world's oldest book of instruction; Neithhotep, the First Dynasty queen and wife of Pharaoh Menes; and Amenhotep, who designed the Ipet-Isut Temple in the west. All the major Western religions teach that man wound up being cast out of his heavenly abode due to woman's ungodly act of enticing him to eat of the fruit of the forbidden tree of the knowledge of good and evil, thereby incurring the wrath of God. The Meaning of Hotep traces the historical records that have left an indelible proof that before God was conceived of in his masculine forms that are known of in the worlds today, God was, primarily, a woman. The Meaning of Hotep presents evidence that the Ten Commandments existed long before Moses and the Psalms before David. This book is for anyone interested in learning about spirituality in general.

About the AuthorAnpu Unnefer Amen shows how the parallels of Jesus the Christ and Heru are too similar to be a coincidence. The Meaning of Hotep is sure to captivate anyone interested in learning about the Nubian teachings and their application from what Anpu Unnefer Amen has coined a Nubian-centered perspective.
