Arthur George, Elena George : The Mythology of Eden before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mythology of Eden:

The biblical story of Adam and Eve in the Garden of Eden is a cornerstone of Western civilization, yet there are still many mysteries concerning its origins and meaning. In The Mythology of Eden, Arthur and Elena George utilize new

historical and archaeological discoveries to reveal how the story's author uses veiled symbolism and mythological storytelling to convey his message about the most profound questions of human existence regarding the divine, life, death, and immortality. This innovative book offers an interdisciplinary interpretation of the Eden story that delves into incorrect assumptions and brings to light details that have previously gone unnoticed. *The Mythology of Eden* provides a new understanding of the story of Adam and Eve and illuminates the story's role and meaning in our modern world.
