Daniel G. Brinton : The Myths of the New World: A Treatise on the Symbolism and Mythology of the Red Race of America before purchasing it in order to gage whether or not it would be worth my time, and all praised The Myths of the New World: A Treatise on the Symbolism and Mythology of the Red Race of America:

A study of the intellectual history of mankind as it is exemplified by the American Indian: The questions of origin and destiny, the concepts of God and a soul, myths of creation, symbols such as the bird, serpent and the cross--universal questions are analyzed in terms of the faith of the Indians.
