Organizations by and for women that deserve our support are featured, along with inspiring quotes, fun facts, and a healthy dose of encouragement.A movement for positive change has been unleashed, and we are equal to the task. We are many, we are proud, and we are nasty.*Yep, we elected that @sshole president. By we, I mean the other half of the country.

From the AuthorI, like many of us, am devastated by the 2016 US presidential election and am deeply concerned about the spike in hate crimes incited by Trump's candidacy and win. This weekly planner is a small reminder that our voices are not silenced. I hope it helps you through your week with a few laughs and a lot of inspiration.
