book is written by a die-hard researcher his phraseology makes the book an easy read. He gets right to the facts w/o out carelessly wasting paper and ink to prove his case. Lee Cummings closes the coffin in this volume, believe that! He accomplishes what he set out to do that is proving Hebrew History w/o using the "Hebrew's Book" (i.e. the Scriptures) as primary source. In this book Mr. Cummings allows history, archeology and first-hand eyewitnesses to represent and defend his case. This book is truly inestimable in its value I advise you to add this one to your library.2 of 2 people found the following review helpful. An eye opener!By shielddoveWOW! Very informative! An eye opener! Enjoyed reading it.3 of 3 people found the following review helpful. EducationalBy Bobby BrownI had always suspected that I was not taught correctly about World and Christian history in school. This book has shown me that my suspicions were correct and I am now more informed.

This book gives indisputable evidence that the 12th dynasty of Egypt and Pharaoh Amenhetet is the Egyptian dynasty that contains the famine story. I will also in detail prove that the 18th dynasty of Egypt is the Exodus story along with Thutmose 1 as the Pharaoh of the Exodus. This book is the first of its kind in that it gives the exact date of the Exodus, the name Thutmose 1 as the name of the Pharaoh and the three different names of the Pharaohs that were instrumental in Moses life. This book illustrates ancient seals that have been found with the Kings of Judah and Israel's names, ancient manuscripts from Anatolia(Turkey) that are written in Paleo Hebrew script that mention Israel. There are ancient maps that show the location of the river Habur or Hebrew. This book gives detailed artifacts found that validate the New Testament testimony that the people actually existed. I even show you images of the ancient Macabbes with afros and braids. This is a must purchase book in that it answers the critics who have said", there is no proof of the Bible story outside of the Bible".
