Can't wait to read it again By russell bosley Very, very good book! Can't wait to read it again. DeCoy's illustrations make you feel as if you are right there with him throughout whole book.8 of 11 people found the following review helpful. READ!!! By Krystal don't care what you think you know about black people, or what you're sure you know. No one else I've come across is this brutally honest about race relations in America. It gets really silly sometimes, but otherwise it looks you in the face and hits you with truth.

The NIGGER BIBLE is universally accepted as one of the true classics of the literature of the American Black experience.
