CONTENTBy paul angeI know that this is not for everyone, but it is for me and for the price can't beat it. Yes i know that you can find the proceedings on line for free, but i love being able to take from place to place. i don't need internet access and i love having the dictionary handy. Keep'em coming!0 of 0 people found the following review helpful.  
Taken off my KindleBy Paul B. KingI got burned-out on the first book, and couldn't finish the rest. These books are a technical blow-by-blow account and the areas covered are too graphic in nature.

"The Jewish question will not be solved separately, but by laws which we enact, for we are the anti-Jewish Government." Dr. Josef Goebbels, 1935 This is the third volume in the complete proceedings of the Nuremberg trial of the German major war criminals before the International Military Tribunal sitting at Nuremberg, Germany. Taken from the original court transcript this volume covers the proceedings from 17th December 1945 to 4th January 1946 and represents an essential primary source for scholars and general readers alike. The transcripts are complete and contain the whole of the proceedings as taken from the original court documents. This volume includes the testimony of Otto Ohlendorf, Dieter Wisliceny, Walter Schellenberg and Alois Hoellriegel regarding the official Nazi policy of the extermination of the Jews. Originally published under the authority of H.M. Attorney-General by His Majesty's Stationery Office London in 1946, this new edition includes an introduction by Emmy AwardTM winning writer and historian Bob Carruthers. This book is part of 'The Third Reich from Original Sources' series, a new military history range compiled and edited by Emmy AwardTM winning author and historian Bob Carruthers. The series draws on primary sources and contemporary documents to provide a new insight into the true nature of Hitler's Third Reich.
