Old Farmers Almanac : The Old Farmer's Almanac 2012 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Old Farmer's Almanac 2012:

0 of 0 people found the following review helpful. A gardening family's tradition By ScotDeerie The Old Farmer's Almanac has been used by the gardeners in my family for over 50 years. I grew up watching my Grandfathers read it and when I read it it is like an old friend giving me advice. I think they've backed off a bit on the weather prediction (which was always great fun if not always accurate) but the information in there is the backbone of a garden worked

by the seasons/weather. The articles are always fun and informative. It's just one of those books that seems to go with a healthy backyard garden. I just wish they hadn't sold the 2012 edition at the end of 2012 because I accidentally got THAT one instead of the 2013 one! Oops. 0 of 0 people found the following review helpful. A Tradition for Many Years By LongTimeShopper I purchase The Old Farmer's Almanac every Christmas for my husband. He loves reading everything, especially the weather forecasts, gardening info and special articles. 1 of 1 people found the following review helpful. Can't start the year without it By SheilaLove the Old Farmer's Almanac. No other almanac will do. I usually pick one up at the grocery store after christmas, but this year I could only find other brand's of the almanac. So, i had intended to make a trip to other stores on the weekend to find one, and then I thought... Oh yeah, i can order it from (!) I have to say, i'm loving my new Prime membership and its free 2-day shipping. Now instead of running around town on my days off to pick up items I just place an order and find the item on my doorstep a couple days later.

America's best-selling annual publication is also the most beloved: Its name makes people smile and its contents tickle funny bones. A reference book that reads like a magazine, the Almanac is packed with facts, features, and fun that make every day special.
