**CLARISSA M., EDITOR SILITCH : The Old Farmer's Almanac Colonial Cookbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Old Farmer's Almanac Colonial Cookbook:

Kitchens have come a long way since 1662! Nevertheless, one can set a table with the dishes that an early settler would recognize and relish and that is what this cookbook is all about. Recipes are generally re-written to suit the needs of now using modern ingredients.
