Nelida Fuccaro : The Other Kurds: Yazidis in Colonial Iraq (Library of Modern Middle East Studies) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Other Kurds: Yazidis in Colonial Iraq (Library of Modern Middle East Studies):

Offers an account - from the Kurdish perspective - of a fascinating and complex tribal society under the British Mandat, when the Yazidis resisted integration into modern Iraq and failed to identify with the aspirations of mainstream Kurdish society and the rising Kurdish movement.
