From Brand: Playbill Books/Applause Theatre and Cinema Books : The Playbill Broadway Yearbook: June 2012 to May 2013 Ninth Annual Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Playbill Broadway Yearbook: June 2012 to May 2013 Ninth Annual Edition:

Taking the format of a school yearbook, the ninth edition of The Playbill Broadway Yearbook is packed with photos (more than 4,000, many in color) and memorabilia from the entire 20122013 Broadway season. This edition documents the more than 80 Broadway shows of that seasonnot just the new shows, such as Matilda, Motown, Lucky

Guy, and Bring It On!, but the long-running ones from seasons past, such as Phantom of the Opera, The Book of Mormon, Once, and Wicked. The book features photos of not only the actorseven Sunny, the dog who portrays Sandy in Annie . . . plus his understudy, Casey but producers, writers, designers, stage managers, stagehands, musicians, ushers. This years roster is expected to top 10,000 (human) names. There is also a wealth of photos from Broadway insider events, including Gypsy of the Year, Broadway Bares, Forbidden Broadway, and the annual Broadway League softball championship players. For this edition, each production was asked to appoint a member of the cast or crew to report on things only those who worked backstage would know: opening-night presents, who got the Gypsy Robe, daily rituals, celebrity visits, favorite health tips and regimens, memorable ad-libs, and so on. Correspondents range from dressers, doormen, and dancers to, in some cases, the star of the show.
