Mordechai Sarig : The Political and Social Philosophy of Ze'ev Jabotinsky: Selected Writings before purchasing it in order to gage whether or not it would be worth my time, and all praised The Political and Social Philosophy of Ze'ev Jabotinsky: Selected Writings:

0 of 0 people found the following review helpful. Revisionist who started Betar(a jewish army) before the HaganahBy

SeymourThe Great Zionist who asked Jews to leave the furnace but the orthodox stone walled it. He is Netanyahu's hero via Begin!! This man was a real Zionist revisionist and Ben Gurion hated him but he was prescient. Fore runner of Irgun--yea Dar Yassin for the nitwits4 of 7 people found the following review helpful. Jabotinsky is brilliantBy Danny ShoagWow. What a book. Jabotinsky expressed perhaps the clearest and most logical formulation of Zionism I have yet to read. He is truly one of the most brilliant men of our times. He speaks with a foresight so keen and accurate it borders on prophecy. A must read for anyone who wishes to grasp the meaning of Revisionist Zionism14 of 18 people found the following review helpful. Jabotinsky the BrilliantBy Danny ShoagWow. What a book. Jabotinsky expressed perhaps the clearest and most logical formulation of Zionism I have yet to read. He is truly one of the most brilliant men of our times. He speaks with a foresight so keen and accurate it borders on prophecy. A must read for anyone who wishes to grasp the meaning of Revisionist Zionism

Ze'ev (Vladimir) Jabotinsky (1880-1940) made his name as a journalist, novelist, poet, translator, soldier, and linguist. He was also one of the foremost orators of his day, mesmerizing his audiences in any of the seven languages he had mastered. Above all, Jabotinsky was a charismatic political leader with rare prophetic vision whose name became a household word among the masses of eastern European Jewry between the two World Wars. Jabotinsky was a product of 19th-century Liberalism who championed a brand of Zionism which set aside social and class differences and concentrated on obtaining a Jewish state that all Jewish people would be able to call home. He exerted a profound influence on Jewish youth, encouraging them to leave behind their ghetto mentalities and to take pride in their rich Jewish heritage. Much of his ideology was disseminated through the Betar youth movement which he founded. Now back in print, this book contains selected excerpts of his books, articles, speeches, poetry, and personal correspondence which portray the broad range of his ideas and philosophy. Although they address the burning issues of his day, one cannot miss how contemporary his ideas remain.
