**Robert Spencer : The Politically Incorrect Guide to Islam (and the Crusades)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Politically Incorrect Guide to Islam (and the Crusades):

40 of 40 people found the following review helpful. If you are Islamic, this book is going to offend you. By S. Paine I already have a copy of the Quran in English, and a book that describes and praises Islam and its history. I wanted one from the opposite angle and this book is clear, authoritative, and full of further reading (not all biased). Obviously well researched; obviously not even-handed (neither expected by me nor claimed by the author). I'd call it a solid beginning for anyone wanting to understand the negative view of Islam, with a rich roadmap for further study in that direction. ~"I like to be open-minded. That's why I can't remember anything!" 4 of 4 people found the following review helpful. Great Book By Leonard A very good book for those who want to know the truth about history and this so-called religion, that is really a political system suitable for the 8th century. 5 of 5 people found the following review

helpful. Five StarsBy Johnny Boyall went well

Islam expert Robert Spencer reveals Islam's ongoing, unshakable quest for global conquest and why the West today faces the same threat as the Crusaders did--and what we can learn from their experience. A clarion call for the defense of the West before it is too late." -- Ibn Warraq, author "A much-needed antidote to the poisonous propaganda that compromises our current battle against jihadist murder." -- Bruce Thornton, historian "An enormous amount of well-researched material. Throws the ball back into the camp of Arabist historians." -- Walid Phares, terror analyst "Assails, with much erudition, the taboos imposed by the Politically Correct League." -- Bat Yeor, historian "The courageous Robert Spencer busts myths and tells truths about jihadists that no one else will tell." -- Michelle Malkin, bestselling author and columnist

"A clarion call for the defense of the West before it is too late." -- Ibn Warraq, author "A much-needed antidote to the poisonous propaganda that compromises our current battle against jihadist murder." -- Bruce Thornton, historian "An enormous amount of well-researched material. Throws the ball back into the camp of Arabist historians." -- Walid Phares, terror analyst "Assails, with much erudition, the taboos imposed by the Politically Correct League." -- Bat Yeor, historian "The courageous Robert Spencer busts myths and tells truths about jihadists that no one else will tell." -- Michelle Malkin, bestselling author and columnist

From the Back Cover Everything (well, almost everything) you know about Islam and the Crusades is wrong because most textbooks and popular history books are written by left-wing academics and Islamic apologists who justify their contemporary political agendas with contrived historical "facts." But fear not: Robert Spencer (author of the bestseller *Islam Unveiled*) refutes the popular myths in *The Politically Incorrect Guide to Islam (and the Crusades)*. Spencer reveals facts that you won't be taught in school and will never hear on the evening news, supplies a revealing list of "Books You Must Not Read" (as far as the PC left is concerned), and takes you on a fast-paced politically incorrect tour of Islamic teaching and Crusades history that will give you all the information you need to understand the true nature of the global conflict America faces today.

About the Author Robert Spencer is the director of Jihad Watch and an Adjunct Fellow with the Free Congress Foundation. He is the author of four books on Islam, including *Islam Unveiled: Disturbing Questions About the World's Fastest Growing Faith (Encounter)* and *Onward Muslim Soldiers: How Jihad Still Threatens America and the West (Regnery)*, as well as eight monographs and hundreds of articles. He lives in a Secure, Undisclosed Location.
