Charles Tuttle : The Politics of Jesus before purchasing it in order to gage whether or not it would be worth my time, and all praised The Politics of Jesus:

0 of 0 people found the following review helpful. Charles does an excellent job of exposing the historical journey to the current ...By TimDWareCharles does an excellent job of exposing the historical journey to the current circumstances in a concise way. Though he is a proclaimed conservative, the obvious effort to be balanced in his approach and understanding is incredibly thought out.His dissection of the twelve disciples and the issue of

immigration were fascinating to read. The thoughts have impacted the way that I listen to the current debate. I have recommended this book to individuals on both sides of the various social issues to give them a balanced approach and hopefully bring us back to a place of dialogue rather than being closed off. 0 of 0 people found the following review helpful. AN INSIGHTFUL READ By buyer Written more for those who believe in Christ. I found it to be challenging and well sourced. This book makes the reader think. Simple to read, easy to grasp and gives some new perspective on current political issues. 0 of 0 people found the following review helpful. Five Stars By Customer Excellent read. Everyone should read this great and informed book.

Was Jesus a politician of His time? His disciples desired Him to be. Instead, Jesus shattered the glass ceiling on politics to display a focus on a kingdom that was not of this world. In the *The Politics of Jesus*, author Charles Tuttle offers a fresh perspective on politics by contrasting Jesus political outlook with Americas hot button issues surrounding party affiliation, immigration, marriage, discrimination and identity politics. Unique in this political book, *The Politics of Jesus* provides a political composite of the twelve disciples and modern American Christianity leading to a full understanding on how to objectively think through political issues and scriptural conflicts. Challenge your convictions and begin political conversations by reading *The Politics of Jesus*.

This is a book written for the issues facing America, but the lessons contained within it reach across humanity. I recommend this book as a must read! - Rev. Dr. Samuel Rodriguez, President, NHCLC/Conela
