**Charlene Spretnak : The Politics of Women's Spirituality: Essays by Founding Mothers of the Movement** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Politics of Women's Spirituality: Essays by Founding Mothers of the Movement:

0 of 0 people found the following review helpful. A concise look at history of WomenBy LVGAIA lot of good history on the evolution of womens spirituality. Some chapter harder to read than others. It is a compilation of essays from women's issues authors.0 of 0 people found the following review helpful. For women everywhere.By Kindle CustomerThis book gives an in depth look at real women's spirituality and its very early beginnings. It gives one an understanding of where we lost our spirituality and how to gain it back. This is a must read for every woman who feels like something is missing as this book will help send you in the right direction to gain it back.0 of 0 people found the following review helpful. So far so good!By Sara CezarReading it for a class. So far so good!

This feminist classic (first published in 1982) presents a chorus of voices exploring their authentic spirituality. The essays are active rather than reactive, revolutionary rather than reformist, and express a broad political awareness. Rather than codifying a religion exclusively for women, the authors address a range of contemporary issues that are informed by spirituality, our attitude toward life on Earth. Part One: Discovering a History of Power What the Goddess Means to Women Mythic Heras as Models of Strength and Wisdom Part Two: Manifesting Personal Power Consciousness/Energy/Action Self-Images of Strength and Wholeness Part Three: Transforming the Political The Unity of Politics and Spirituality Applications of Spirituality as a Political Force

From the PublisherRather than codifying a religion exclusively for women, the authors address a range of contemporary issues that are informed by spirituality, our attitudes toward life on Earth. The values and perceptions presented in this essay collection constitute a holistic paradigm, a dynamic model for the postpatriarchal era.
