Robin Skelton : The Practice of Witchcraft before purchasing it in order to gage whether or not it would be worth my time, and all praised The Practice of Witchcraft:

0 of 0 people found the following review helpful. Five StarsBy Thomas75Great book, easy to understand.0 of 0 people found the following review helpful. Highly RecommendedBy Sable AradiaThis is an excellent book that illustrates the writing of Wiccan liturgy and ritual more effectively that any other book I know of. I recommend it to all my students, particularly those who want to get into teaching for themselves. I am surprised there are not more reviews here!3 of 6

people found the following review helpful. This book is also called "Practice of Witchcraft Today" By Brigid Skelton The British edition has the "Today" on the end, but the Canadian edition doesn't. It was published by Beach Holme Press (Canada). I think it's a great book, very clear and non-sensational. (I'm a bit biased though, seeing as the author was my father.)

Poet, occultist, and ordained wiccan Robin Skelton discusses the practice of the wiccan religion in contemporary culture.

About the Author Poet, anthologist, editor, teacher, biographer, art and literary critic, historical writer, initiated witch and occultist, Robin Skelton came to Canada in 1963, the author of five collections of poetry and nine other books. He taught at the University of Victoria for almost thirty years, teaching in the Department of English and then in the Department of Creative Writing, of which he was the founding Chairman in 1973. In 1967, together with John Peter, he founded The Malahat .
