Ali Unal, Harun Gultekin : The Prophet Promised in World Scriptures before purchasing it in order to gage whether or not it would be worth my time, and all praised The Prophet Promised in World Scriptures:

This well-researched and comprehensive book by Ali nal details the numerous prophecies about the advent of the Prophet Muhammad in various world scriptures. Unal argues that numerous prophecies of the coming of the Prophet Muhammad are found in the New and Old Testaments, the Zoroastrian, Hindu and Buddhist Scriptures. He then

closely examines these prophecies through a comparative and verse-by-verse analysis and explains the rationale for his conclusions. This book will appeal to readers from all faiths and backgrounds that have an interest in major world religions and their sacred scriptures.
