Jahson Atiba I. Alemu : The Rastafari Ible before purchasing it in order to gage whether or not it would be worth my time, and all praised The Rastafari Ible:

0 of 0 people found the following review helpful. Five StarsBy RASHAKIM HUDSONBlessings0 of 1 people found the following review helpful. IBLE!By Stephanie WilsonThe text was in very good condition and arrived very quickly! I did not pay for quicker shipping so that was an amazing surprise! The text was not exactly what I was looking for but it was a great buy for someone who is looking to start the journey to RASTAFARI!12 of 13 people

found the following review helpful. Good General Historical Info. for Rastafari MovementBy HERU CHAThis is a great reference book detailing the kingship of Ethiopia as a national state. Jahson does a great job entailing the story and works of some past Emperors of Ethiopia. The reason why I gave this book only 3 stars is because of the missing historical facts that the authors leaves out, and some that are just not true. Such as, the authors writes that the Aksumite people were merged with immigrants that were semetic. This is not true! There are no semetics in ET. This author is referring to the India tribes that were apart of the Aksumite people. Which are many many different tribes. Also the language of GE'EZ is nothing but a cursive writing of MTU NTR (Egyptian writing). And the Ethiopians zenith was way before the 4th AD?? The 18th to 25th dynasties of anicent egypt were ruled by Aksumite rulers. Where is that history? Bob Marley said it the best "half the story has never been told". But this is a good reference book of the history of Ethiopia as a Christian state, and the emergence of Ethiopian from it's pre-Christianity history.

A chronicle of Ethiopia's history.

About the AuthorJahson Atiba Alemu I was born in Trinidad Tobago...In 1974 he entered UWI in Trinidad, and in 1977 was a awarded a Bachelor of Science Degree in Business Management Studies...In 1980 he saw the light oh His Imperial Majesty, and humbling himself as a son, he acknowledged Jah revelation...
