Its a great compliment to Chancellor Williams' other book https://www..com/Destruction-Black-Civilization-Issues-D/dp/0883780305/ref=sr_1_1?s=booksie=UTF8qid=1481661353sr=1-1keywords=destruction+of+black+civilization2 of 2 people found the following review helpful. Good compliment to 'Destruction of African Civilization', his other books.By paige deplumeGood reference for the things that will never be

taught or discussed in schools. Add to his other books for continuity. Old, but worth the study.

2015 Reprint of 1961 Edition. Full Facsimile of the original edition. Not reproduced with Optical Recognition Software. The book is an affirmation of education and an espousal of cooperative democracy as a way of life for the new Africa. It contains as well a report on social studies of African life. It also expounds on the philosophical and spiritual dimensions of African life and its prospects for the future. Amidst the current debates concerning multiculturalism and political correctness, this publication moves the discussion beyond the vagueness of ethnicity to the reality of African empowerment.
