Classic WWII history that goes into great depths defining the events leading up to, during, and the aftermath of Nazi Germany.1 of 1 people found the following review helpful. must read for history buffs, not the easiest read ...By Jerry A. Andrasimust read for history buffs, not the easiest read but i kept notes of all the names to stay on track. lots and lots of names to remember, but simply a incredible piece of writing2 of 2 people found the following review helpful. Five StarsBy Dorothy BrantonOne of the best resources on the Third Reich. Will be added to a HS library collection.
