Here is the bestselling author of The Late Great Planet Earth's most shocking revelation ever: the disquieting facts about a new spiritual movement that would take over our churches and government and lead us to disaster. Just as current events are converging into the precise pattern the biblical prophets predicted would herald the return of Jesus Christ, a new movement has arisen within the Evangelical Church that denies it all, allegorizing away the clear meaning of prophecy. This movement, commonly known as Dominion Theology, reintroduces an old error that brought catastrophe to the Church and the Dark Ages to the worldthe same error that founded a legacy of contempt for the Jews and ultimately led to the Holocaust in Nazi Germany. In clear, compelling language, Hal Lindsey sounds a vital warning about Dominion Theologyand explains why he believes it poses such a great danger not only to Israel but to every Christian as well.

About the Author Hal Lindsey is the author of Satan Is Alive and Well on Planet Earth, The Liberation of Planet Earth, There's a New World Coming, Rapture, Apocalypse Code, and Blood Moon.
