From Patrick Olivelle : The Samnyasa Upanisads: Hindu Scriptures on Asceticism and Renunciation before purchasing it in order to gage whether or not it would be worth my time, and all praised The Samnyasa Upanisads: Hindu Scriptures on Asceticism and Renunciation:

1 of 1 people found the following review helpful. Great for an historical overview of sannyasa and its cultural ...By CustomerGreat for an historical overview of sannyasa and its cultural meaning. However, for a spiritual and theological insight into sannyasa I would prefer Abhishiktananda's The Further Shore.

The first readable and accurate translation of twenty of the most authoritative Hindu documents pertaining to ascetic ideals and the ascetic way of life, this text opens to students a major source for the study of the Hindu ascetical institutions and of the historical changes they underwent during a period of a thousand years or more. Beginning with an analysis of the historical context that gave rise to Indian ascetical institutions and ideologies, Patrick Olivelle moves on to elucidate the meaning of renunciation-the central institution of holiness in most Hindu traditions-and the function and significance of the various elements that constitute the rite of renunciation. The Samnyasa Upanisads will be an unparalleled source of information and insight for students of Hinduism and Indian asceticism, mysticism, and holiness.

"Easy to follow and well-explained."--L. G. Tewari, Sonoma State University"Finally! The translation we have been waiting for--a clean, modern, authentic, honorable, and readable rendering of the principal Upanisads. Olivelle's text is a great boon to students and teachers of Hinduism."--Stuart Smithers, University of Puget Sound"Ever since Baptist missionary William Carey produced the first translation of Upanisads texts, and the first grammar and dictionary of Sanskrit, Christians have recognized the value of this literature in understanding the pervasive world view of the Indian sub-continent."--Robert I. Garrett, JR., Southwest Baptist Theological Seminary"Excellent preface and background material."--Britt Towery, Baylor University"I am delighted to have a fresh translation of the Upanisads."--Gurinder S. Mann, Columbia University"A fine successor to Hume's translations."--John Holt, Bowdoin College"Outstanding book on a vitally important dimension of Hinduism....Clearly translated, and the introduction is very helpful for students."--Bruce M. Sullivan, Northern Arizona University"Much needed study of renunciation and an admirable collection to texts. Important work."--Donald P. St. John, Moravian College"This thematic lense for introduction both to the vast Upanisadic literature and the ascetic life will be useful for introducing students to the 'Hindu' tradition."--A.H. Mathias Zahniser, Asbury Theological Seminary"The definitive translation of texts seminal to understanding the Hindu tradition and particularly asceticism."--Douglas R. Brooks , University of RochesterLanguage NotesText: English (translation)From the Back CoverThe first readable and accurate translation of twenty of the most authoritative Hindu documents pertaining to ascetic ideals and the ascetic way of life, this text opens to students a major source for the study of the Hindu ascetical institution and of the historical changes they underwent during a period of a thousand years or more.
