Andrew Lang : The Secret Commonwealth of Elves, Fauns and Fairies before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secret Commonwealth of Elves, Fauns and Fairies:

2 of 2 people found the following review helpful. Quaint And Curious Volume of Forgotten LoreBy Brian F. RedmanThe writing and spelling is "quaint" (from around 1690) and you've got to read what looks like a small "f" as an "s", but get around that and this is an honest appraisal from the time of what various "fairy tales" seem to mean. The first half is an Introduction by a more modern writer, who tries to take a more "scientific" viewpoint and is helpful as sort of a point/counterpoint for the survey by Robert Kirk which follows. For a less "scientific" guess at the

phenomena, this book is helpful, as is also Cotton Mather's "Wonders of the Invisible World." 13 of 13 people found the following review helpful. An extraordinary life and story
By E Gaillard
Anyone interested in folklore and faerie should seek out original source material whenever possible, and this is the real deal. Written by a Scottish clergyman who believed his status as a seventh son gave him special insight into the world of Celtic fairydom, this book is a fascinating account of 17th century folk belief, including eyewitness accounts and interesting interpretations of encounters. Andrew Lang's introduction, which is nearly as long as the book, is also well worth reading even if his personal opinions/prejudices overshadow his commentary. Whatever your view of the existence of Otherworld elves and fairies, this book is great food for thought.

By Amanda laha
A timeless classic. Very interesting book!

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book. +++++

About the Author
About the Author: "Andrew Lang (March 31, 1844, Selkirk - July 20, 1912, Banchory, Kincardineshire) was a prolific Scots man of letters. He was a poet, novelist, and literary critic, and contributor to anthropology. He now is best known as the collector of folk and fairy tales." (Quote from wikipedia.org)
