Buros Center : The Seventeenth Mental Measurements Yearbook (Buros Mental Measurements Yearbook) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Seventeenth Mental Measurements Yearbook (Buros Mental Measurements Yearbook):

0 of 0 people found the following review helpful. Four StarsBy J. F. PaGreat0 of 1 people found the following review helpful. Three StarsBy Nicole NeupertDid not have information on some well known assessments

Customers who place a standing order for the Tests in Print series or the Mental Measurements Yearbook series will receive a 10% discount on every volume. To place your standing order, please call 1-800-848-6224 (in the U.S.) or 919-966-7449 (outside the U.S.). The most widely acclaimed reference series in education and psychology, the Mental Measurements Yearbooks are designed to assist professionals in selecting and using standardized tests. The series, initiated in 1938, provides factual information, critical reviews, and comprehensive bibliographic references on the construction, use, and validity of all tests published in English. The objectives of the Mental Measurements Yearbooks have remained essentially the same since the publication of the series. These objectives include provision to test users of: factual information on all known tests published as separates in the English-speaking countries of the world candidly critical test reviews written for the MMY series by qualified professional people representing a variety of viewpoints unique publication of each volume in the MMY series with new volumes supplementing rather than supplanting previous series volumes.

"The Mental Measurements Yearbook is an invaluable research aid and should be in every social science research library's collection." Stephen H. Aby, Annual References Books Annual
