The Sheeriyth Imperative:By Lamont GreenExcellent read as a follow up to the Shinar Directive. Christians seeking to live in these end times will want to read these two books.

In The Shinar Directive, we journeyed down the Luciferian rabbit hole to discover the matrix of darkness that has engulfed our planet. It would seem that esoteric societies have nearly fulfilled Nimrods dark directive. However, the Almighty will not allow the enemy to bring his A team for the final showdown without responding with His own. God is raising up people around the world that are shaking off their techno-sorcery induced, spiritual slumber and are answering Heavens call. There is an end-time empowerment coming for Gods Remnant His Sheeriyth. Hell may have its directive, but Heaven has its imperative! The Sheeriyth Imperative is a tactical manual for Gods Remnant in the Last Days. In this vital book, you will discover a deeper look into the fallen immortals that now labor for the Kingdom of Darkness, how the unification of Superstring Theory and the Bible can play an essential role in our understanding of end-time spiritual warfare, the reality of multi-dimensional seed, what really happened when Lucifer fell and the force he created to fuel his kingdom. Learn that the Watcher invasion of Genesis 6 involved much more than just a breeding program, how Nimrod aligned himself with immortals in the Second Heaven to empower his hellish plans and how Mystery Babylon is doing the same in our day! The reader will gain a better understanding of what Lucifer was really seeking to gain in the fall of humanity, how the Nazi/Vril agenda is still being carried out by the clueless masses around the world today, how our modernized theologies have rendered the modern Christian weaponless and naked on the end-time spiritual battlefield, and how Heaven is empowering the Remnant to destroy every stronghold and to become a force that can raze hell and bring the King
