Srisa Chandra Vasu : The Siva Samhita before purchasing it in order to gage whether or not it would be worth my time, and all praised The Siva Samhita:

0 of 0 people found the following review helpful. Five Stars By V.S.S. BondalapidiahCool

Siva s compendium, written during the 18th century, made it appears as if Siva himself was speaking. The work

frequently alludes to the Tantras and there is a distinct Buddhist influence throughout the text. This is one of three major surviving classical treatises on the Hatha Yoga. It deals with abstract yogic philosophies, tantric practices, mudras and meditation. It emphasizes that even householders can practice yoga and benefit from it. This English translation has rare insights into this ancient text.
