Being vegetarian, I found that many of the recipe books were not great value as I could only use a few recipes, so this was a real find. Whether on the diet or not, I would recommend this for lots of great tasty, healthy and low calorie veggie meal ideas. Great little book.0 of 0 people found the following review helpful. Five StarsBy SkippyWonderful for a single person. Very happy with purchase.5 of 6 people found the following review helpful. The Skinny on the SkinnyBy Liberty's DaughterNice layout and good recipes. I like the single serving concept as it takes the guess work out of managing portion size. Having suggested daily menus would have been helpful as would estimated time to prepare each dish.
